

SRI ABDUL KHUDDUS ANWAR.—At Page 146 of the Dutt Committee Report, it has been stated that no Minister should hold any post in that Board and no I.A.S. Officer should be appointed, who has no experience in this field. Will the Government be pleased to give a directive to the One Man Committee to see that this policy is adopted and the I.A.S. Officers are taken away early?

SRI S. M. KRISHNA.—I am willing to subscribe myself to the proposition and the broad guide lines laid down by my Hon. Friend Sri Anwar that generally, the Minister should not hold the posts of Chairmen of the Corporations. About I.A.S. Officers, I hold altogether a different view.
